CHATTANOGA Gazette: The Hon. Robert F. Looney, of Memphis, was in the city Tuesday, and took or carion to see some of our citizens about his candidacy for the Governorship. Col. Looney made a fine impression on our people by his dignity, the entire ab-sence of anything in his conversation reflecting on his many competitors for the high honor he seeks. As the Gazette stated some weeks ago, it would seem to be narrowed down be-tween Col. McConnell, Gen. Dibrell and Col. Looney. But you can't most always sometimes tell.

W Gayoro. It was a close and exciting game. Eight innings had been playe I, and the score stood tie. Memphis had retired its opponent in the ninth inning without scoring. Memphis was at the bat. Two men were out. Two strikes had been called upon the man at the bat. The next ball pitched came straight toward him. Then it took a sudden curve. He swung his bat. Would he miss it? The excitement was painful. There was a quick, short stroke. Ah! he has hit the ball. Away high in the air it sails. See, the center fielder is chasing it. The spectators hold their breath. Suddenly there is one tumultuous shout. The ball has gone far over the hend of the fielder, who is chasing it. Around the bases speeds the batter. He touches the home plate and the victory is won. Bouquets are showered upon him. He looks up just in time to see a lovely girl take a bunch of roses and throw them at his feet. As he gracefully pleas them up their eyes meet.
